**NOTICE OF PRIVACY PRACTICES**

---

The privacy of your health information is important to me. I will maintain the privacy of your health information and I will not disclose your information to others unless you tell me to do so, or unless the law authorizes or requires me to do so.

A new federal law commonly known as HIPAA requires that I take additional steps to keep you informed about how I may use information that is gathered in order to provide health care services to you. As part of this process, I am required to provide you with the attached Notice of Privacy Practices and to request that you sign the attached written acknowledgment that you received a copy of the Notice. The Notice describes how I may use and disclose your protected health information to carry out treatment, payment, or health care operations, and for other purposes that are permitted or required by law. This Notice also describes your rights regarding health information I maintain about you and a brief description of how you may exercise these rights.

If you have any questions about this Notice, please contact me.

### **I. USES AND DISCLOSURES OF PROTECTED HEALTH INFORMATION**

#### **A. Permissible Uses and Disclosures without Your Written Authorization**

I may use and disclose PHI without your written authorization, excluding Psychotherapy Notes as described in Section II, for certain purposes as described below. The examples provided in each category are not meant to be exhaustive, but instead are meant to describe the types of uses and disclosures that are permissible under federal and state law.

1. **Treatment:** I may use and disclose PHI in order to provide treatment to you. For example, I may use PHI to diagnose and provide counseling service to you. In addition, I may disclose PHI to other health care providers involved in your treatment.
2. **Payment:** I may use or disclose PHI so that services you receive are appropriately billed to, and payment is collected from, your health plan. By way of example, I may disclose PHI to permit your health plan to take certain actions before it approves or pays for treatment services.
3. **Health Care Operations:** I may use and disclose PHI in connection with my health care operations, including reminding clients of their appointments and sending clients articles related to treatment.
4. **Required or Permitted by Law:** I may use or disclose PHI when I am required or permitted to do so by law. For example, I may disclose PHI to appropriate authorities if I reasonably believe that you are a possible victim of abuse, neglect, or domestic violence or the possible victim of other crimes. In addition, I may disclose PHI to the extent necessary to avert a serious threat to your health or safety or the health or safety of others. Other disclosures permitted or required by law include the following: disclosures for public health activities, health oversight activities including disclosures to state or federal agencies authorized to access PHI; disclosures to judicial and law enforcement officials in response to a court order or other lawful process; disclosures for research when approved by an institutional review board; and disclosures to military or national security agencies, coroners, medical examiners, and correctional institutions, or otherwise as authorized by law.

#### **B. Uses and Disclosures Requiring Your Written Authorization**

1. **Psychotherapy Notes:** Notes recorded by me, documenting the contents of a counseling session with you (“Psychotherapy Notes”) will be used only by me and will not otherwise be used or disclosed without your written authorization.
2. **Marketing Communications:** I will not use your health information for marketing communications without your written authorization.
3. **Other Uses and Disclosures:** Uses and disclosures other than those described in Section 1.A. above will only be made with your written authorization. For example, you will need to sign an authorization form before I can send PHI to your life insurance company, to a school, or to your attorney. You may revoke any such authorization at any time.

## II. YOUR INDIVIDUAL RIGHTS

- A. **Right to Inspect and Copy.** You may request access to your medical record and billing records that are maintained by me in order to inspect or request copies of the records. All requests for access must be made in writing. Under limited circumstances, I may deny access to your records. I may charge a fee for the costs of copying and sending you any records requested. If you are a parent or legal guardian of a minor, please note that certain portions of the minor's medical record will not be accessible to you.
- B. **Right to Alternative Communications.** You may request, and I will accommodate, any reasonable written request for you to receive PHI by alternative means of communication or at alternative locations.
- C. **Minimum Necessary.** With the exception of release of information for treatment purposes, any disclosure of PHI will provide only the minimum necessary information to comply with the request.
- D. **Security of Records.** Appropriate safeguards will be taken to protect the security of PHI and reasonably protect it from intentional or unintentional disclosures.
- E. **Right to Request Restrictions.** You have the right to request a restriction on PHI used for disclosure for treatment, payment or health care operations. You must request any such restriction in writing addressed to me as indicated below. I am not required to agree to any such restriction you may request.
- F. **Right to Accounting of Disclosures.** Upon written request, you may obtain an accounting of certain disclosures of PHI made by me after April 14, 2003. This right applies to disclosures for purposes other than treatment, payment, or health care operations, excludes disclosures made to you or disclosures otherwise authorized by you, and is subject to other restrictions and limitations.
- G. **Right to Request Amendment.** You have the right to request that I amend your health information. Your request must be in writing, and it must explain why the information should be amended. I may deny your request under certain circumstances.
- H. **Right to Obtain Notice.** You have the right to obtain a paper copy of this Notice by submitting a request to me at any time.
- I. **Questions and Complaints.** If you desire further information about your privacy rights, or are concerned that I have violated your privacy rights, you may contact me at (425) 452-0905. You may also file written complaints with the Director, Office for Civil Rights of the U.S. Department of Health and Human Services. I will not retaliate against you if you file a complaint with the Director or myself.

## III. BUSINESS ASSOCIATES

- A. It is my policy to obtain a Business Associate Contract with any individual or organization who has access to PHI in my possession and who is not a covered entity under HIPAA or a member of my workforce.
- B. All Business Associate Contracts will include language that reasonably assures that the Business Associate will appropriately safeguard and limit their use and disclosure of PHI that I disclose to them. In the event I learn of a breach of the Business Associate Contract by the Business Associate, I will immediately take reasonable steps to correct the problem, including termination of the contract with the Business Associate and reporting the breach to the Secretary of the Department of Health and Human Services.
- C. Business Associate Contracts will be in place on or before April 14, 2003.

## IV. EFFECTIVE DATE AND CHANGES TO THIS NOTICE.

- A. Effective Date. This Notice is effective on April 14, 2003.
